45 YEARS OF CITIZEN DIPLOMACY

Here's to many more.

We are thrilled to bring you our annual fundraiser for the 2025 Fiscal Year, "**The Next 45: Building a Sustainable Legacy**". This evening event will celebrate the San Diego Diplomacy Council's storied past, evolving present, and hopeful future. We hope you will join us on our mission to connect people and improve the world.

We are thrilled to have received a **\$45,000 matching gift** towards this event. Your generous support will be doubled up to \$45,000 to support our work.

Our Annual Fundraiser

Each year, the San Diego Diplomacy Council holds one event to raise funds in support of our mission. In a world where conflict continues to run rampant, diplomacy plays a crucial role in building meaningful connections and mutual understanding. By supporting our annual fundraiser, you are contributing to initiatives that build global peace, facilitate cross-cultural exchange, and empower the next generation of global leaders. Help us do the work, and create a more unified and inclusive future.

Our FY25 Focus

We are honored to be hosting **high school students from Kiribati** in San Diego, who will be joining us at this event. As a nation with a young population and bleak future, Kiribati is investing in its young leaders, ensuring they have tools and opportunities to rise above their uncertain prospects. As we celebrate 45 years of the San Diego Diplomacy Council and look toward the next 45 and beyond, we want to be intentional about what it means to **build a sustainable legacy**. Not just for our organization, but for global leaders everywhere.

What To Expect

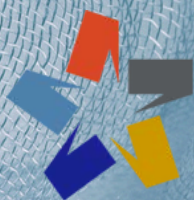

A celebration at the **UC San Diego Great Hall**, we expect 250 guests to join us for an evening of silent auctions, a cocktail reception, heavy appetizers, an assortment of beverages, and the chance to connect with friends new and old. The event will begin at 6:00pm.
